Interests

- Reading story books

» I am a dedicated technology enthusiast with a National Diploma in Information Technology specializing in Software Development and Business Analysis. Proficient in programming languages like JavaScript, HTML, PHP, Python, MySQL, and CSS, I bring expertise, innovation, and a commitment to continuous learning to drive impactful technological solutions and team success.

Education

- » • **Vaal University of Technology (National Diploma in IT)**
From (2021-2024)
- **Mugoidwa Secondary School (matric)**
From (2010-2014)

Work Experience

» **Facilitator at Rhulani Holdings Ltd:** I have experience teaching primary learners the fundamentals of robotics and coding. My role involves creating an engaging, hands-on learning environment where students can explore and develop problem-solving skills through technology.

Software Development Intern at Ebhodo Holdings: I have participated in developing an e-commerce website and online registration forms.

Full-stack developer candidate at Capaciti: I am acquiring the skills to become a proficient Full-Stack Developer. As part of my learning journey, I am actively engaged in Full-Stack Coursera courses, which equip me with the knowledge and practical experience required to excel in this field.
